

Apricot Chicken

Simple. Delicious. Easy.

4 boneless, skinless chicken breasts

½ cup Apricot preserves or Apricot all-fruit spread

1 envelope dry onion soup mix

Preheat oven to 350 degrees.

Place chicken breasts in baking pan treated with non-stick cooking spray.

Mix together the preserves and soup mix. Spread over chicken to cover.

Bake uncovered for one hour. (If chicken breasts are thin, reduce cooking time.)

Yes – it's that easy!
