

Cheesy Egg Breakfast Casserole

If you're looking to make a hot breakfast – and make it easy – here you go!

*This version is perfect for me and my hubby,
but if you want to serve a larger group, just double it up!*

5 eggs, beaten

1/4 cup butter, melted

8 oz. cottage cheese

1 cup cheese (cheddar, mozzarella, whatever – I use what I have!)

Chopped veggies, as desired (onion, peppers, spinach, etc.)

Add bacon or sausage (cooked and crumbed), if desired and to taste

2 T. flour

½ t. teaspoon baking powder

Seasoned salt & pepper to taste (I use “The Blend”)

Preheat oven to 375 degrees.

Mix all ingredients. Bake for 30 minutes. Enjoy!
